Senator Felder meets with local Occupational Therapy students

SIMCHA FELDER March 5, 2019

| ISSUE: **OCCUPATIONAL THERAPY, STUDENTS**

On Tuesday, March 5, 2019, I had the pleasure meeting with several Occupational Therapy students from Touro College, all of whom I proudly represent. We discussed the issues affecting their future profession and they advocated proudly on behalf of the NYS Occupational Therapy Association. Thanks to my colleague, Assemblyman Simcha Eichenstein for joining us.
