ALBANY, N.Y. – Senate Deputy Leader Michael Gianaris welcome leaders from Queens to Albany on Tuesday to celebrate the annual “Queens Day” at the state Capitol.

“I am proud that my parents, like so many of their fellow immigrants, chose to make our home in Queens,” said **Senate Deputy Leader Michael Gianaris**. “More than any other place, Queens represents the promise of the American Dream, where one’s desire to work hard and

leave the community better for their families are the values that define us. I am so glad Queens leaders joined us to celebrate all we have to offer.”
