

NEW YORK STATE SENATOR

Daphne Jordan

May is "Lyme Disease Awareness Month"

SENATOR DAPHNE JORDAN May 6, 2019

| ISSUE: **LYME DISEASE, LYME AND TICK-BORNE DISEASES, LYME DISEASE AWARENESS**

THE NEW YORK STATE SENATE:

COMBATING LYME &

May is recognized as "Lyme Disease Awareness Month." With the risk of Lyme and tick-borne diseases at a record high, this is an ideal time to educate yourself on how to prevent and treat these serious illnesses.
