SENATOR RIVERA ANNOUNCES ADDITIONAL HEARINGS ON THE NEW YORK HEALTH ACT

GUSTAVO RIVERA May 24, 2019

| ISSUE: **NEW YORK HEALTH ACT**

(Albany, NY) - State Senator Gustavo Rivera, Chair of the Health Committee in the New York State Senate, released the following statement announcing additional hearings on the New York Health Act in the coming months.

"I am excited to announce that additional hearings on the New York Health Act will be held across New York State in the coming months. Almost a hundred New Yorkers have requested to testify at next Tuesday's hearing in Albany and I am looking forward to engaging with them to hear their stories on how we must change our health care system so that it benefits all New Yorkers equally, and not just a few.

In the coming weeks, a full schedule on the upcoming public hearings will be announced and I look forward to traveling across the State to give New Yorkers the opportunity to discuss this important bill."
