Senator Flanagan Delivers New York State Flag To Selden Residents

JOHN J. FLANAGAN October 3, 2019

| ISSUE: **NEW YORK STATE, COMMUNITY**

Senate Republican Leader John Flanagan (2nd Senate District) recently visited St. Joseph's Village to deliver a brand-new New York State flag to the residents of the community. The visit came about following a replacement flag request from Social Service Coordinator Angela Cammarata who reached out to Senator Flanagan's office.

The new flag will replace a worn out older version and will now fly on the flagpole in front of the community building right alongside the flag of the United States of America.

“It is always my pleasure to visit the residents of St. Joseph’s Village and I thank Angela for reaching out to my office for assistance. The residents who live here are proud Americans and New Yorkers and it is my honor to help them continue their tradition of honoring our state and our nation,” stated Senator Flanagan.
