Ortt Responds to Passage of Automatic Voter Registration

ROBERT G. ORTT January 9, 2020

| ISSUE: **AUTOMATIC VOTER REGISTRATION SYSTEM**

“Today’s passage of automatic voter registration by Senate Democrats endangers the security of our elections and threatens to undermine the foundation of our democracy. It is an open invitation for election fraud that blatantly follows their granting of driver’s licenses to illegal aliens. For a party obsessed with election interference and illegitimate results, they are doing a great job at exposing our democratic process to unlawful involvement. Last year’s Green Light Law, taxpayer-funded college for illegals, and the establishment of sanctuary cities show the concerted efforts by New York Democrats to afford fundamental

citizens' rights to non-taxpaying illegals. It shows Democrats continuing to prioritize those who have broken our laws over those who follow and enforce our laws.”
