Updates and Resources for handling the COVID-19 pandemic.

It's important we are all knowledgeable and updated on the COVID-19 pandemic. During this time, there is no need to panic. We should do our best to follow recommendations from the state and federal governments, and the Centers for Disease Control (CDC). Such as:

- Stay home as much as possible.
- Keep a safe distance of 6 feet from others in public spaces.

- Avoid gatherings of more than 10 people.
- Wash your hands frequently and for at least 20 seconds.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Clean and disinfect surfaces daily.
- Stay home if you're sick.

All non-essential businesses such as gyms, theaters, and casinos will remain closed until further notice. Bar and restaurants will be closed for dining in, but takeout is still available during this closure. Only essential services and businesses should remain open after 8:00pm. Many schools districts are offering breakfast and/or lunch pick up.

If you need any information regarding COVID-19 please consider calling the NYS Department of Health COVID-19 hotline at 1-888-364-3065.
