**UNEMPLOYMENT
UPDATE**

IMPORTANT update for people who have been waiting more than 72 hours to hear back about their unemployment claims. The problem might be due to a glitch in the NY State Dept. of Labor website. See important information about the glitch and a step-by-step guide on how to fix it below!

For the most part, once your application has generated a confirmation number, the DOL should *actually* call you back within 72 hours. But many people’s applications never generate a confirmation number, which leads to the claim getting lost in the system.

Goal: Get confirmation number like this:

CONFIRMATION PAGE	
Your application for Unemployment Insurance benefits is now complete. Your confirmation number is 123456789	
*** IMPORTANT - PRINT THIS PAGE***	
You must follow the instructions below before we can determine if you will be paid Unemployment Insurance benefits. Read and print this page for your records. If you cannot print this page, write down the 'steps' that you need to take so that your claim can be processed.	
You chose NOT to have the Unemployment Insurance Information for Claimants Handbook mailed to you. You are responsible for reading the on-line version of this Handbook on this website. You must follow all of the information provided in this Handbook. You will be held accountable for following these rules. Look to "Reminders" below for the information for Claimants Handbook link.	

HOW DO I GET MY BENEFITS?	
Step 1	Your first step is to claim credit for the current week in order to validate your claim. You must do this beginning Wednesday, 04/29/2020, but no later than Saturday, 05/02/2020. Claim credit by returning to our website, unemployment.ny.gov , step 1.

Once your application has generated a confirmation number, the DOL should *actually* call you back within 72 hours. If you were only sent to this page you probably did not receive a confirmation number. In order to generate your confirmation number, please follow the steps below:

1. Visit <http://labor.ny.gov> and click the “Services” tab.

Submission Confirmed

Thank you for submitting your unemployment insurance claim with the New York State Department of Labor.

To complete your claim, a Department of Labor call center agent will call you within 72 hours. You do not need to contact the Department of Labor – we will contact you at the number that is listed in your claim. To verify that a caller is from the Department of Labor, they will verify the date you filed your

2. Next, click the "Unemployment" icon.

Visit this site:

- You last certified for benefits for the week ending 04/26/2020.
- Your payment for the week ending 04/26/2020 was released on 04/27/2020.
- Weekly payments for \$600 showing "0" under the "Effective Days" column, and Debit Card or Direct Deposit under the "Type" column, are the Federal Pandemic Unemployment Compensation (FPUC) payments.

Effective Days

Each day in a week (Monday through Sunday) that you qualify for benefits is called an effective day. There is a maximum of 4 effective days each week, and you must qualify for all 4 effective days in order to receive your total weekly benefit rate. For each day in the week that you are not eligible to receive benefits, you will receive one less effective day, which is equivalent to one fourth of your weekly benefit rate. For example, if you are not available to work one day in a week, or if you have worked any part of a day, or have received vacation or holiday pay for one day in a week, your benefits will be reduced by one effective day (the same as one-quarter of your benefit rate). You can receive a maximum of 104 effective days on your claim.

If three days have passed since a payment was released and the funds are not in your account, you should contact KeyBank Customer Service at (866) 295-2955 if you have a debit card. If you have direct deposit, contact your bank. If there is a holiday in a given week, payments may be delayed by one day that week.
