Senator Biaggi Delivers 800 Free Meals to District 34 Residents in Hunts Point and Boston Road Plaza Senior Housing

ALESSANDRA BIAGGI May 14, 2020

On May 14th, Team Biaggi provided 800 RethinkFoodNYC meals to District 34 residents at Hunts Point Alliance for Children and New York City Housing Authority (NYCHA)'s Boston Road Plaza Senior Housing. We also gave out hundreds of individual bottles of NYS hand sanitizer for folks to take home with them. It's been such a privilege to partner with Winston Chiu and his team, as well as our local community organizations and tenant associations, to feed our Bronx and Westchester neighbors over the last few weeks. Team Biaggi could not be more grateful for the collaboration of this community, and every day

looks forward to continuing to serve our district together. Photos by David Zheng!
