Team Biaggi Delivers Meals, Gloves, Masks and Hand Sanitizer to NYCHA Pelham Parkway Houses Residents

ALESSANDRA BIAGGI April 25, 2020

On April 25, Team Biaggi was able to distribute 300 meals, 15,000 gloves, 3,000 masks and 56 gallons of hand sanitizer to our neighbors in New York City Housing Authority (NYCHA) #PelhamParkwayHouses. Thank you to everyone who came by — couldn't have done it without the partnership of NYPD 49 Precinct, Katrina Asante, & Pelham Parkway TA!
