| ISSUE: NYS SENATE, REPUBLICAN CONFERENCE, ECONOMIC OPPORTUNITY, WESTERN NEW YORK

“Senator Rob Ortt has my congratulations and fullest support on his election as the leader of our Senate Republican Conference. Senator Ortt has an extraordinary record as well as the will and ability to be the strong leader that we need to challenge our state’s one-party-rule and articulate our vision of a New York where every region of the state is treated equally and economic opportunity is prioritized. I am proud to see a fellow Western New Yorker take the

reins of leadership and I look forward to working alongside him to champion the values and policies that will move us in a new direction.”
