

NEW YORK STATE SENATOR

Alessandra Biaggi

Senator Biaggi Hosts Census 2020 Phone Banking Session

ALESSANDRA BIAGGI July 8, 2020

On July 8, Senator Biaggi hosted a Census 2020 phone banking session – together we were able to make 152 calls in just an hour and a half! Special shoutout to Jeremiah Cedeño and Ian Hanson from the NYC Office of the Census for training our team and volunteers. One of the most important ways we can help District 34 recover from this difficult period and be in a better position than we were before, is by encouraging every member of our community to fill out the Census. If you haven't filled yours out yet, take 5 minutes to do it at my2020census.gov !
