

NEW YORK STATE SENATOR

Alessandra Biaggi

Senator Biaggi joins WHP Global to distribute free meals to Montefiore Medical Center's Project Bravo Food Pantry

ALESSANDRA BIAGGI July 15, 2020

On July 15th, Senator Biaggi joined WHP Global to distribute hundreds of free meals to her neighbors at Montefiore Medical Center's Project Bravo Food Pantry. She also had the opportunity to provide free meals to our healthcare heroes at Montefiore Mount Vernon Hospital. She extends her deepest gratitude to the Mount Vernon Hospital doctors, nurses, and staff serving at the forefront of this pandemic, and thank them for their tireless commitment to provide critical healthcare services to our community. She also thanks Joseph Abboud for his generous donation to our community, and to everyone who

helped and participated!
