Teams Biaggi and Salazar compete in Census Battle of the Boroughs

ALESSANDRA BIAGGI July 21, 2020

On July 21st, Teams Biaggi and Salazar joined in a friendly Census Battle of the Boroughs, and together the teams made 1000+ calls to get New Yorkers to fill out the Census! It was a close race but the Bronx beat Brooklyn. Thank you to Jeremiah Cedeno, Ian Hanson & the amazing group of volunteers! Curious to know how well your community is doing in the 2020 Census? This map is a great tool to identify community-based assets, learn about historically undercounted communities, & visualize geographically relevant Census data for 2020 Census efforts: <https://nyc2020censusmap.hesterstreet.org>
