**COMMUNITY &
REOPENING
UPDATE
9-03-2020**

Dear Friends:

I wish all students, families, teachers and staff a healthy & prosperous start to the school year. Thank you to all involved for working in good faith toward reopening plans that keep everyone safe while ensuring students are engaged & learning. I know how difficult it is for

all parties. I believe we can meet the challenges ahead of us with the same tenacity and data-driven pragmatism that allowed us to flatten the curve and control the spread of the coronavirus. Though our circumstances may be tough, so are we, and we will get through this together. If there's a specific concern you have as schools reopen, I urge you to speak with your local school district superintendent, members of the school board, or school principal. Under the Governor's direction, the decision to open schools (once safety metrics have been met) rests with each individual school district.

THE NEW SCHOOL OF NURSING & HEALTH SCIENCES AT MANHATTANVILLE COLLEGE

On Monday, August 31st, I was pleased to attend a White Coat Ceremony for the new School of Nursing and Health Sciences at Manhattanville College with President Michael Geisler, Dean Debra Simons, faculty & new students. I was pleased to support the application for the School of Nursing & Health Sciences as it was considered and ultimately approved by the State Education Department. The pandemic has shown how critical healthcare workers are to public health and our communities. I wish all the students a wonderful first year and thank them for their service.

DONATING MASKS IN THE PORT CHESTER COMMUNITY

This past week, I was glad to donate PPE in the Port Chester community with Port Chester Village Trustee Alex Payan, Thomas A. Edison School Principal Ivan Tolentino, and volunteers from Caritas Port Chester and the Carver Center. I am grateful for the tremendous work they do to help the most vulnerable.

ACCEPTING NOMINATIONS FOR THE EMPIRE AWARD

During the coronavirus pandemic, I personally witnessed so many small businesses stepping up and going above & beyond to help their communities, donating food, services, PPE, and other essentials. HELPING PORT CHESTER FAMILIES DISPLACED BY FIVE ALARM FIRE

Thank you to the approximately 200 fire fighters who responded to the incident and spent hours battling the flames. Since the incident, donation bins have been placed at local Port Chester locations to help the families

recover. If you can, I encourage you to donate clothes, canned food, toiletries, bedding, or anything else you think would be helpful. There are three locations for donation bins:

VOLUNTEER NEW YORK! HOSTS 10TH ANNUAL 9/11: SERVE & REMEMBER EVENT

Volunteer New York! will host its 10th Annual 9/11: Serve + Remember community-wide action event dedicated to honoring the memory of those lost on September 11, 2001, through unity, empathy and service. There are a number of ways those who are interested can contribute including by making blankets, sewing masks, or creating postcards for troops. This is a meaningful way to honor this day.
