

NEW YORK STATE SENATOR

Alessandra Biaggi

Senator Biaggi Leads the 2020 Census Caravan Through the Bronx

ALESSANDRA BIAGGI September 18, 2020

Where to begin? This week's #2020Census Caravan with the Empowered Women of the Bronx was a blast.

Team Biaggi had so much fun spending the day talking to our neighbors throughout the district about the importance of a full and accurate count in 2020, and informing folks about the power they hold in shaping the future of the Bronx.

Glad we could end the day with our Back to School and Produce Giveaway with our neighbors at Throgs Neck Houses.

None of this could have been possible without the partnership of the Office of the Public Advocate. We are so grateful to all of the Bronx Empowered Women and community organizations that participated, who continue to lend their voice to get out the count. They include:

Hon. Karines Reyes, RN

Nathalia Fernandez

Council Member Vanessa L. Gibson

Xamayla Rose

Marricka Scott-McFadden, Deputy Bronx Borough President

Ischia Bravo

Amanda Farias
