

NEW YORK STATE SENATOR

Monica R. Martinez

## New York State Senator Monica R. Martinez to Hold Annual Breast Cancer Mobile Screening

MONICA R. MARTINEZ October 14, 2020

NEW YORK STATE SENATOR MONICA R. MARTINEZ TO HOLD ANNUAL BREAST  
CANCER MOBILE SCREENING

OCTOBER 14, 2020

(PATCHOGUE, NY): New York State Senator Monica R. Martinez , in partnership with Stony Brook Medicine, will be hosting “Pinky” the Mammogram bus at the Sayville Community Ambulance on Thursday, October 15, 2020 from 1:00PM to 5:00PM. All testing will be completed by a registered radiologist who specializes in mammography. The van is equipped with a waiting area, private dressing room and exam room, and all proper safety protocols will be adhered to.

This event will allow women the opportunity to put their health first. Early detection has saved the lives of countless women. With early screening, breast cancer death rates have declined forty (40) percent from 1989 to 2016 amongst women.

Registration is required for this event, as there are limited appointments available. Please call 631-638-4135 to schedule your appointment.
