HYDE PARK, NY – With the holiday season upon us, Senator Sue Serino is launching the annual “Season of Giving” initiative to provide a convenient way for community members to help support local organizations who are helping neighbors in need during this time. Items collected will be donated to the [Putnam/Northern Westchester Women's Resource Center](#), [The Salvation Army](#) in Poughkeepsie and [Dutchess Outreach](#).

“This year has presented so many unique challenges to our friends and neighbors, and for organizations who do critical work through the Hudson Valley, making this ‘Season of Giving’ initiative all the more important,” **said Senator Sue Serino**. “Year after year, our community has supported the ‘Season of Giving’ initiative in a big way, always reminding us what a supportive community we are fortunate to be a part of. Together, we can work to make the holiday season a little brighter for those who may need it most.”

To meet the current needs of these community organizations, the following items are being collected as part of this year’s ‘Season of Giving’ initiative:

- **Putnam/Northern Westchester Women’s Resource Center:**

- Twin bed sheets;
- Twin bed mattress covers;
- Twin bed comforters;
- Towels; and
- Bed Pillows.

- **The Salvation Army:**

- Toys and activities for children ranging from 0 to 12 years old.

- **Dutchess Outreach:**

- Non-perishable food items (canned goods, cereal, pasta, peanut butter, etc.)
- Personal toiletries (soap, shampoo, conditioner, deodorant, toothpaste, etc.)
