

NEW YORK STATE SENATOR

Robert G. Ortt

A Statement From NYS Senate Republican Leader Rob Ortt

ROBERT G. ORTT December 21, 2020

| ISSUE: **PRISON CLOSURES**

"Today's announcement by Governor Cuomo that three upstate correctional facilities will close is not only untimely but demonstrates an ill-will toward hard-working Upstate New Yorkers. It is no secret that Albany has buckled under the pressures of pro-criminal special interest groups, but to make this announcement the week of Christmas is distasteful.

"The closure of these three corrections facilities will make our state less safe and devastate the communities where these facilities are located. I urge Governor Cuomo to stand up for Upstate communities and the men and women who serve them by immediately reversing

this decision.

"We thank the brave men and women who showed up every day to ensure the protection of New York's residents – you deserve better."
