Statement From Senate Majority Leader Andrea Stewart-Cousins On Crisis In Washington D.C.

ANDREA STEWART-COUSINS January 6, 2021

| ISSUE: **INSURRECTION AT CAPITOL**

“Donald Trump began his presidency talking about ‘American carnage,’ and now that is how he is ending his time in office. People are storming the U.S. Capitol because the President has told them he has been wronged, despite there being no evidence to support that claim. Over the past four years, more than any other time, we have seen that elections matter, voting matters, and leadership matters. As President, Donald Trump has been a failure, and the American people, our image, and our values have paid the price.”
