SENATOR JOSEPH P. ADDABBO, JR. January 8, 2021

“It is encouraging to hear that Governor Cuomo will embrace mobile sports betting in his State of the State Address. By legalizing mobile sports betting, New York will be able to reap the benefits of the economic gains it will create and help the state rebuild after the COVID-19 pandemic, in addition to increasing educational funding, addressing illegal activity in the state and assisting those with gaming addictions. I look forward to working with the Governor and his office to efficiently implement mobile sports betting for the people of New York.”
