SHELLEY B. MAYER January 29, 2021

| ISSUE: **MONTEFIORE, UNITEDHEALTHCARE**

The breakdown in negotiations between UnitedHealthcare and Montefiore has left 60,000 New Yorkers searching for new health care providers. In the midst of a global pandemic and economic challenges, this creates unconscionable and unnecessary disruption to health care coverage. I call on the two parties to resume negotiations, and I call on the Governor to use his power to bring UnitedHealthcare and Montefiore back to the negotiating table to resolve

their differences," said State Senator Shelley B. Mayer
