Senator Oberacker Calls for Impeachment of Governor

JEFF BISHOP, COMMUNICATIONS DIRECTOR March 10, 2021

| ISSUE: **IMPEACHMENT**

ALBANY – 03/10/21 – Senator Peter Oberacker (R/C-Schenevus) today called on Governor Cuomo to resign or face impeachment.

“Another day in Albany and more disturbing allegations leveled at Governor Cuomo. Enough is enough. Several women have come forward with serious, credible charges of sexual harassment and it is time we put them first. As the picture of abuse becomes clearer by the day, we need to turn our focus to impeachment.

“The next time Andrew Cuomo holds one of his press conference performances, to issue more disrespectful, blanket denials, he should be on his own without the New York State seal in front of

him. Our state, and the women who have come forward, should not be disgraced any further.

“Multiple investigations are underway due to the governor’s apparent coverup of nursing home deaths and abusive behavior. He failed to protect our vulnerable senior citizens, and his self-serving behavior continued behind closed doors. All involved need to be held accountable.

“It is time for our state to begin the healing process. Governor Cuomo must resign immediately or be shown the door.”
