## SENATOR BIAGGI AND SENATE MAJORITY PASS LEGISLATION TO IMPROVE OVERSIGHT AND CARE AT NURSING HOMES

ALESSANDRA BIAGGI February 23, 2021

**BRONX, NY** – Senator Alessandra Biaggi and the Senate Democratic Majority passed legislation to better support and protect nursing home residents. Throughout the COVID-19 pandemic, the Senate Majority has taken action to pass legislation to support New Yorkers' health and safety. This legislative package will establish a direct patient care spending ratio for nursing homes, create a taskforce to reimagine the delivery of long-term care, allow personal and compassionate care visitors, mandate disclosure of nursing home ratings, and require more infection control policies by nursing homes and require state health officials to conduct more thorough inspections.

**State Senator Alessandra Biaggi (D-Bronx/Westchester) issued the following statement:**

"Every nursing home resident is a New Yorker's beloved family member or loved one. The loss of over 13,000 nursing home residents to COVID-19 is deeply felt, and their memory will always have an impact on our communities. For this very reason, I am proud to join my colleagues in passing this legislative package. By implementing transparent accountability measures, this package creates moral systematic reform of our nursing home system to ensure our loved ones stay safe."

**The bills advanced by Senator Biaggi and the Senate Majority include:**

- **Patient Care Ratio Reporting:** This bill, S.4336A sponsored by Senator Gusatvo Rivera, directs the Commissioner of Health to establish a "Direct Patient Care Ratio" that would require all nursing homes to spend at least 70% of a facility's revenue on direct patient care.
- **Publication of Nursing Home Ratings:** This bill, S.553 sponsored by Senator James Sanders Jr., requires that the most recent Center for Medicare and Medicaid Services (CMS) rating of every nursing home be prominently displayed on the home page of the Department of Health's website and at each nursing home facility's website and displayed at the facility for view by the general public.
- **Reimagining Long-Term Care Task Force:** This bill, S.598B sponsored by Senator Rachel May, enacts the "Reimagining Long-Term Care Task Force" to create a task force studying the state of both home-based and facility-based long-term care services in the state, and to make recommendations on potential models of improvement to long-term care services for older New Yorkers.
- **Long-Term Care Ombudsman Program Reform Act:** This bill, S.612A sponsored by Senator Rachel May, creates "The Long-term Care Ombudsman Program Reform Act" by expanding the current program to be more accessible and available to seniors and their families, while promoting the volunteer advocate program, and improve interactions between DOH and the Ombudsman program regarding complaints.
