“The Shed the Meds program is a way for residents to safely dispose of unwanted or expired medications as a way to keep them out of our groundwater and away from children. I’m hoping many residents will take advantage of this service provided by the Suffolk County Sheriff’s Office,” said Senator Palumbo.

Senator Palumbo noted that registration is not required for this event and all are welcome. For more information on the Shed the Meds event, please contact Senator Palumbo’s District Office at (631) 473-1461 or via email at Palumbo@NYSenate.gov.
