On Sunday, April 25, State Senator Joseph P. Addabbo, Jr. and Assemblywoman Jenifer Rajkumar hosted a successful recycling event in the Forest Park Bandshell Parking Lot. The damp weather couldn't keep the community away as more than 100 vehicles came by to securely shred their personal documents and donate goods for the veterans. Addabbo and Rajkumar would like to thank the vendors USA Shred and United War Veterans Council for their participation, 104COP for their work in keeping the event safe, Community Board 10 for being community partners, and their staffs for helping to put this event together.
