HYDE PARK, NY –Senator Sue Serino today is commending an impressive group of local high school students for their academic achievements and their commitment to community leadership. Senator Serino presented the students with ‘NYS Senate Youth Leadership Recognition Awards’ in a virtual ceremony on Wednesday, June 23rd.

“These students are the next generation of leaders, and after hearing about all of their achievements and future aspirations, it is an honor to have the opportunity to recognize them for their work, and thank them

for their dedication to our school communities,” said Senator Sue Serino. “These students all faced incredible challenges over this past year, yet they refused to let anything stand in the way of achieving their goals, and I can’t commend them enough for their grit and determination. It is clear they all have a bright future ahead, and I cannot wait to see where it takes them!”

Each year, Senator Serino and the New York State Senate invite members of the community to nominate students for the prestigious award program who excel both inside and outside of the classroom and serve as role models for their peers.
