In an effort to connect consumers with fresh foods, support area farmers and boost small businesses, State Senator Patty Ritchie is again releasing her “Farmers Market Guide.”

“Our area markets are the perfect place to find fresh, healthy and local foods,” said Senator Ritchie. “Not only that, but shopping at your local market supports hardworking farmers and small business owners, too.”

“I am hopeful this guide will encourage people to visit the many farmers markets throughout Jefferson, Oswego and St. Lawrence Counties as the summer months continue.”

The guide, which features 20 area markets, is available online by [clicking here](#) or by calling (315) 782-3418.
