ANDREW J. LANZA July 30, 2021

The National Independent Flag Dealers Association (NIFDA) is hosting an American Flag Photo Contest. Become a U.S.A. Flag Spotter and make patriotism go viral in 3 easy steps:

1. Look for the American Flag in your Community.
2. Photograph the American Flag (whether its on display outside a home or business; inside a school; at sporting events, parades, on boats, cars, barns, blowing in the wind; or at any special events and ceremonies).

3. Submit your best photos and a completed Entry Form to: Contests@NIFDA.net. Visit: www.NIFDA.net/photo-contest to download an Entry Form.

NIFDA is looking for high-quality photos of the American Flag, which create a sense of pride, while in use or on display in every-day life. The American Flag represents all Americans, during all times, and in any location. Images of the flag should promote a sense of pride, patriotism and unity.

For artists motivated to create a work of art, representing the American Flag, just take a high-quality digital photo of the artwork to submit your entry.

Tag your favorite photos on your social media channels, #USAFlagSpotter, to encourage more Americans to Enter the Photo Contest and Spread Patriotism nation-wide.

Contest is open to all High School and College Students as well as adults 18 years and older, residing in the United States of America. Deadline for Entry is August 31, 2021. Winners and prizes will be announced in October. No purchase or entry fee is required.

American Flag Manufacturers are sponsoring numerous prizes, which include Americanmade USA flags, Flagpoles, Desk Sets and Patriotic-themed gifts. Sponsors include: Annin Flagmakers, Allied Flag, Concord American Flagpole, Eder Flag, Flagzone & Valley Forge Flag Company.
