Statement from Senator Borrello on Gov. Cuomo's Resignation Amid Allegations he Sexually Harassed 11 Women

GEORGE M. BORRELLO August 10, 2021

| ISSUE: **GOV. CUOMO, JUSTICE, SEXUAL HARASSMENT**

“After months of scandal, Governor Cuomo finally made the right decision today following months of denial and stonewalling.

“New Yorkers can breathe a sigh of relief and get back to the important task of recovering from the damage caused by the pandemic and bad policies from this governor.

“Despite his apologies, we won’t forget or forgive team Cuomo’s behind-the-scenes attempts to discredit and undermine the reputations of the 11 courageous women who had the courage to come forward. We cannot and will not forget them or what they endured.

“We also won’t forget the countless nursing home residents – our parents, grandparents and friends – who lost their lives to his unconscionable policies.

“I look forward to working with Lt. Gov. Kathy Hochul to make a better and safer state for everyone.”
