- ❖ Woman aged 50 - 79 without health insurance

In honor of Breast Cancer Awareness Month in October, State Senator Joseph P. Addabbo, Jr. announced that he is bringing the American-Italian Cancer Foundation's Free Mammogram Screening Bus to his district office in Howard Beach this November.

On Tuesday, November 2, the American-Italian Cancer Foundation will have their Mammogram Bus parked on the corner of 160<sup>th</sup> Avenue and 102<sup>nd</sup> Street outside of

Addabbo's office located at 159-53 102<sup>nd</sup> Street in Howard Beach, from 9 a.m. to 4:30 p.m., providing no-cost mammogram screenings for women who register for an appointment.

"When it comes to cancer, and especially breast cancer, it is vital to get tested routinely to increase your chances at early detection. The sooner you catch a cancer diagnosis, the quicker you can receive treatment and your life expectancy rises," Addabbo said. "That is why I am proud to sponsor this event on the heels of Breast Cancer Awareness Month. I want to thank the American-Italian Cancer Foundation for bringing this great, free service back to my district. Please call my office to make an appointment."

In order to be eligible for the clinical breast exam, women must be:

- Between 40 and 79 years old with health insurance;
- Between 50 and 79 years old without health insurance;
- Currently living in New York City; and
- Had not had a mammogram in the last 12 months.

Uninsured patients are welcome, there are no co-payments, and all deductibles are waived for this service.

Due to COVID19, only one patient will be allowed on the bus at a time, and those waiting to be seen are to wait in Addabbo's office while they fill out their intake forms. Walk-ins will be accommodated on a limited basis.

To ensure that you are able to get a free mammogram screening, call Addabbo's office at 718-738-1111 or 1-877-628-9090 to make an appointment.
