NEW YORK STATE SENATE

The banner features a blue background with orange and white text. It includes a circular portrait of Senator Elijah Reichlin-Melnick on the right side. At the bottom, there are icons for a calendar, a clock, a telephone, and the New York State Senate seal.

On Thursday, November 18, 2021, Senator Elijah Reichlin-Melnick will host his first senior fair in Rockland County. Senator Reichlin-Melnick will bring together a variety of resources related to the senior citizen population. Each organization will present what they do and then will have tables and staff there to talk with the seniors. It will be a great opportunity to learn about programs and resources available for them. The Senator will be there to greet them and kick off a brief presentation. Our office will also have a table with resources for seniors in SD38.
