Senator Helming is again partnering with Marine Corps League Memorial Day Detachment 468, and the Marine Corps Coordinating Council of Greater Rochester, to support the Marine Toys for Tots program.

Donations of new, unwrapped toys can be dropped off at Senator Helming's district office at 425 Exchange Street, Geneva through December 13. Gifts will benefit children and families throughout the Finger Lakes region.

This year, Williamson Public Library and Manchester Town Hall are joining Senator Helming and also hosting collection boxes at their locations at 6380 Route 21, Williamson and 1272 County Road 7, Clifton Springs, respectively.

“The people of the 54th District have always been extremely generous and I am asking for their support again this year for the Toys for Tots program. This holiday season will be challenging for many, and the need once again is great. If you or your business or organization is able to help, know that your donation will make a difference in the lives of children and families in our local communities,” said Senator Helming.
