Senator Tedisco's Statement on Governor's Newest Statewide Mandate

SENATOR JIM TEDISCO December 13, 2021

Senator Jim Tedisco ✓

@JamesTedisco

Meet the new Governor, same as the old Governor in terms of heavy-handed mandates & fines on taxpayers & businesses. The Governor's like the "Grinch Who Stole Christmas" with a new mandate before the holidays on our overburdened small biz & localities to enforce. Enough's enough!
