Senators Urge ESD To Delay Action On Penn Station Plan

LIZ KRUEGER March 10, 2022

| ISSUE: **PENN STATION**

New York City - Today, Senators Liz Krueger and Brad Hoylman, as well as thirteen of their Senate colleagues released a letter to the Board of Empire State Development, urging that ESD refrain from voting on the Penn Station development plan until several key issues and concerns have been addressed. The letter can be viewed below and downloaded as a PDF from this page.
