- Massive amounts of new pork barrel 'discretionary' spending;
- \$10 million for inmates to access free college tuition;
- Hundreds of millions in health care funding for non-U.S. citizens, at a time when many hardworking, law-abiding New Yorkers are struggling to deal with rising health care costs;
- \$200 million to help those who have broken the law get licenses to sell legalized marijuana; and
- A devastating new 'all-electric' Efficiency Standard that will cause severe damage to the construction industry and bring new building starts to a halt.
