

NEW YORK STATE SENATOR

Robert G. Ortt

Statement from Senate Republican Leader Rob Ortt on the State of Emergency Extension

ROBERT G. ORTT March 17, 2022

| ISSUE: **STATE OF EMERGENCY, GOVERNOR HOCHUL**

Families, businesses and municipalities are sick and tired of having their lives dictated by executive order and mandates. Despite a drastic reduction in COVID cases, Governor Hochul continues to imprison New York in a perpetual state of emergency.

Enough is enough – Governor Hochul needs to immediately end this ridiculous state of emergency, let us restore checks and balances, and let New Yorkers finally get back to normal.
