Over 200 residents came out on Sunday, May 22 to safely recycle their electronic waste at the Forest Park Bandshell Parking Lot with the Lower East Side Ecology Center at State Senator Joseph P. Addabbo, Jr.'s Spring E-waste Recycling event, co-sponsored by Councilman Robert Holden and Assemblywoman Jenifer Rajkumar.

Addabbo would like to thank his co-sponsors, as well as the Lower East Side Ecology Center for their continued partnership on these great events, and 104COP for their participation.

If you missed this E-waste recycling event, Addabbo's Howard Beach and Middle Village offices are still accepting small electronics to be collected and recycled with the DSNY EcycleNYC program. For more information about this program, call Addabbo's office at 718-738-1111.
