| ISSUE: [SENATOR HARCKHAM. SD40, ROE V. WADE, WOMEN'S REPRODUCTIVE RIGHTS](#)

Peekskill, NY – New York State Senator Pete Harckham released the following statement today in response to the U.S. Supreme Court decision to strike down *Roe v. Wade* and end the federal protections for a women’s right to choose:

“The right-wing majority of the U.S. Supreme Court’s unconscionable decision to overturn *Roe v. Wade* now returns our country to the cruel, dark ages where women were not legally in control of their own reproductive health.

“In New York, a woman’s right to determine her health choices without governmental intrusion is protected by a state law that I helped to pass in 2019 and 2022. I remain committed to fighting for women and their reproductive healthcare, no matter what.”
