Senator James Skoufis (D-Hudson Valley) presented officials from the Town of Cornwall with a grant of \$85,000 to enable the purchase of a new senior citizen dial-a-bus bus. The bus will transport up to a dozen seniors at a given time for daily trips throughout Cornwall and to shopping destinations in Middletown, Newburgh, and New Windsor.

“Ensuring our seniors can retain their independence as they age is a key quality of life issue,” said **Senator Skoufis**. “Cornwall’s senior population has been steadily increasing in recent years, and local leaders must do all they can to support and respond to the needs of this

vibrant constituency. I was delighted to work with the town to secure this important funding.”

“Thanks to a state grant from Senator Skoufis, the Town of Cornwall was able to replace a senior bus that reached the end of its useful life,” said **Town of Cornwall Supervisor Josh Wojehowski**. “This is a win for taxpayers and seniors alike as the grant covered the full cost of the new bus.”

A new bus schedule will soon be posted on [the town's website](#). Pickups can also be arranged by calling the Cornwall Recreation Department at (845) 534-2070.
