SYRACUSE, NY – Senator John W. Mannion (SD-50) today welcomed more than 500 Senior Citizens to his annual Central New York Senior Fair.

“Hosting the annual Central New York Senior Fair is a gesture of thanks, honor, and respect for our valued Senior Citizens. This service to the community would not be possible without the support of our sponsors, partners, and the almost 100 vendors who share my

commitment to providing Seniors with the healthcare, legal, and lifestyle information they need.”

Senator Mannion extends a special thanks to Onondaga Community College and the 2022 Central New York Senior Fair sponsors: Wegmans, Humana, Healthcare Education Project, YMCA of Central New York, Hematology/Oncology Associates of Central New York, Crouse Health, Fidelis Care, and Advocate Health Advisors.

The Senior Fair featured dozens of local organizations that cater to Seniors, a "Wellness Village" where guests could receive free health assessments, view YMCA demonstrations, and receive flu vaccines.
