

NEW YORK STATE SENATOR

Robert G. Ortt

Statement from Senate Republican Leader Rob Ortt

ROBERT G. ORTT September 30, 2022

| ISSUE: **FARM WORKER OVERTIME THRESHOLD, AGRICULTURE**

Today's decision by the New York State Department of Labor Commissioner is the wrong one. By approving this recommendation from a board composed of unelected bureaucrats, this mandate will devastate family farms still reeling from the pandemic.

It is clear Albany's one-party ruling class doesn't care about family farms and seems hell-bent on destroying agriculture in New York State.

This is nothing short of a scheduled collapse of New York's agricultural industry.
