This October State Senator Joseph P. Addabbo, Jr. will be bringing his event series, Java with Joe, back to the district to give residents an opportunity to speak with him directly on any matters they wish to discuss.

During these Java with Joe events, Senator Addabbo will be at these locations where he will sit at a table where he will meet with constituents to chat about any community or personal

issue they want to bring up.

On Saturday, October 8, Addabbo will be at Tropical Isle Roti Shop & Bakery, located at 118-19 Liberty Avenue, in Jamaica.

On Saturday, October 15, Addabbo will be at the Atlantic Diner, located at 111-16 Atlantic Avenue, in Richmond Hill.

On Saturday, October 22, Addabbo will visit Arepas Bakery & Grill (AB & G), located at 66-14 Myrtle Avenue, in Glendale.

Addabbo will be at each location from 10 a.m. to 12 p.m.

“I know it may be difficult for some of my constituents to set up a meeting with me during normal business hours, so I am happy to make myself more available for these individuals — either during my Mobile Office Hours or Java with Joe events — because hearing their issues and trying to resolve them are important to me,” Addabbo said. “I encourage anyone who wants to bring up an issue with me to come to these events right in their own community and meet with me directly. I look forward to speaking with my constituents and supporting our local businesses at the same time.”
