This grant, secured within the Local Community Assistance Program (LoCAP), will fund the bulk of the \$102,000 project, with the remaining costs covered by the Town of Orchard Park. With the funding secured, the projects are expected to be completed in 2023.

Senator Sean Ryan said, "The Community Activity Center has been a great new addition to the Town of Orchard Park, providing entertainment for residents year-round. It has already been a major success, but these upgrades will provide more recreation options for visitors of all ages and abilities."
