

## 2023-J188

Senate Resolution No. 188

BY: Senator MAY

HONORING Dr. Robin Wall Kimmerer upon the occasion  
of her selection as recipient of the 2022 MacArthur  
Fellow

WHEREAS, It is the sense of this Legislative Body to recognize those  
individuals within the great State of New York that are dedicated to the  
vital work of environmental protection; and

WHEREAS, Attendant to such concern, and in full accord with its  
long-standing traditions, this Legislative Body is justly proud to honor  
Dr. Robin Wall Kimmerer upon the occasion of her selection as recipient  
of the 2022 MacArthur Fellow, which is awarded by the John D. and  
Catherine T. MacArthur Foundation; and

WHEREAS, Dr. Robin Wall Kimmerer received this distinguished reward  
for her alternative vision of environmental stewardship informed by  
traditional ecological knowledge in her work with plant sciences and  
forestry/forest science, fiction and nonfiction writing and  
conservation; and

WHEREAS, A renowned plant ecologist, educator and writer, Dr. Robin  
Wall Kimmerer is a SUNY Distinguished Teaching Professor of  
Environmental Biology at the College of Environmental Science and  
Forestry, founder and director of the Center for Native Peoples and the  
Environment, and co-founder of the Traditional Ecological Knowledge

section of the Ecological Society of America; and

WHEREAS, Robin Wall Kimmerer earned her Bachelor of Science degree in botany from the State University of New York, College of Environmental Science and Forestry in 1975, and both her master's degree and her PhD in botany from the University of Wisconsin; and

WHEREAS, Dr. Robin Wall Kimmerer is an expert in the ecology of mosses and the restoration of ecological communities; she brings to her scientific research and writing her lived experience as a member of the Citizen Potawatomi Nation and the principles of Traditional Ecological Knowledge (TEK), which refers to the body of knowledge Indigenous peoples cultivate through their relationship with the natural world; and

WHEREAS, In collaboration with tribal partners, Dr. Robin Wall Kimmerer and her students have an active research program in the ecology and restoration of plants of cultural significance to Native people; she is also active in efforts to broaden access to environmental science education for Native students and to create new models for the integration of indigenous philosophy and scientific tools on behalf of land and culture; and

WHEREAS, Dr. Robin Wall Kimmerer is the author of *Gathering Moss: A Natural and Cultural History of Mosses* and *Braiding Sweetgrass: Indigenous Wisdom, Scientific Knowledge, and the Teaching of Plants* as well as numerous scientific papers published in various environmental journals; and

WHEREAS, Through her thoughtful efforts and passion, Dr. Robin Wall Kimmerer has truly had a profound influence on how we conceptualize the relationship between nature and humans, and her work furthers efforts to heal a damaged planet; and

WHEREAS, It is the sense of this Legislative Body that the continuing welfare of the citizens of the State of New York is greatly enriched and reliably served by the purposeful endeavors of individuals who are committed to the preservation of our natural environment and the enhancement of the appreciation of the distinctive features of our surroundings; now, therefore, be it

RESOLVED, That this Legislative Body pause in its deliberations to honor Dr. Robin Wall Kimmerer upon the occasion of her selection as recipient of the 2022 MacArthur Fellow; and be it further

RESOLVED, That a copy of this Resolution, suitably engrossed, be transmitted to Dr. Robin Wall Kimmerer.
