

## Hinchey Announces February Mobile Office Hours

MICHELLE HINCHEY February 7, 2023

**KINGSTON, NY** – State Senator Michelle Hinchey today announced that members of her Constituent Services Team will hold mobile office hours across the 41st Senate District during the month of February, continuing their work to bring state government resources directly to the communities she represents in Columbia, Northern Dutchess, Greene, and Ulster Counties.

During mobile office hours, constituents can meet with the Senator's staff and receive assistance and information on a wide range of issues. This can include utility support, help

with unemployment, EZPass and DMV issues, food and health resource referrals, heating

assistance, and more. Appointments are suggested and can be scheduled at

bit.ly/HincheyMOH.

**Senator Michelle Hinchey said,** "My team and I are always working to make state government

more accessible by bringing our services straight to our neighbors in their community, and

we're excited to do that this February through our mobile office hours. From these one-on-

one support sessions, we've helped over 1,000 people resolve issues and access a number of

resources, like fixing an inaccurate utility bill to receiving the unemployment they're owed

or getting a new business license. We're excited to ramp up these efforts this year and

continue finding ways to make our services as easy as possible for people to access."
