## Legislatively Speaking

This week in Albany, my Senate colleagues and I continued our open and transparent public process to approving an on-time New York State Budget.

Each day, you can visit [www.nysenate.gov](http://www.nysenate.gov) and click on the video link to get a full schedule of the days events, including Senate session, public hearing, and budget committee meetings.

Viewing these budget committee meetings as we get closer to the adaption of this year's budget, allows the public to understand the different issues that are being discussed as it pertains to the budget.

For the latest on the Budget, visit my website at [www.robach.nysenate.gov](http://www.robach.nysenate.gov). If you have a specific issue or question, feel free to call me or e-mail me.

## Barton & Loguidice Expands

Recently, I had the privilege to speak at, and help cut the ribbon at, a ceremony to mark the opening of Barton & Loguidice in their newly expanded downtown offices. Congratulations to the entire staff on their expansion and all the best for continued success in their expanded location. You can find out more about Barton & Loguidice by visiting their website at [www.bartonandloguidice.com](http://www.bartonandloguidice.com).
