Thank You for Supporting Our Students

As the summer winds down, students around our community are getting ready to head back to school in September.

I would like to take this opportunity to thank all of you who contributed to my Back to School Backpacks and Supplies Drive this summer.

We collected a number of backpacks and necessary supplies that will help our students get the school year started with the proper resources.

In addition to a number of backpacks, there were pens, pencils, rulers, index cards, folders, highlighters and other great supplies that were collected.

Earlier this week, I had the privilege to deliver all of the backpacks and supplies to the Greece Ecumenical Clothes Closet, located at 500 Maiden Lane. From there, they will be distributed to families in the community.

Thank you again for all your support and for making this effort so successful this year!

Greece Public Library Grand Reopening

Earlier this week, I had the privilege to be a part of the grand reopening ceremony at the Greece Public Library, located on the Town Hall Campus. The library offers new program rooms, a new teen area, and a relocated Secondhand Prose Bookstore. You can see more photos from the ceremony, and other events from the past week, by visiting www.facebook.com/senatorjosepherobach.
