The Next Steps to a Stronger Economy

To give you more of an opportunity to share your views with me and gather your input, I have launched a new on-line survey, "The Next Steps to a Stronger Economy". You can find the graphic on the left hand side of my website.

The survey is a very brief and quick process asking you to rank 6 steps that you would like New York State to take to help create new jobs.

I hope that you will take the time to share your views with me on this important issue and I look forward to reading your response. As always, if you would like to discuss this topic further, you may e-mail me at robach@nysenate.gov, or give me a call in my office at 225-3650.

I would also like to wish everyone a Safe and Happy Labor Day on September 4th, as there will be no Community Connection next weekend.

The Swedge Shops Opens

Recently, I had the opportunity to speak at, and take part in, a ceremony to open The Swedge Shop, located at 732 South Avenue in the heart of the

South Wedge. It is great to see neighborhood organizations doing all they can do to bring new development and business to our area. For more information on the South Wedge, and more photos from this event, follow me on Facebook.
