Margaret Forgione  
Manhattan Borough Commissioner  
New York City Department of Transportation  
59 Maiden Lane, 37<sup>th</sup> Floor  
New York, NY 10038

Dear Borough Commissioner Forgione:

I am writing on behalf of my constituents, the Tenants Association of Jacob Riis Houses in Manhattan, regarding a traffic-related safety hazard at 10<sup>th</sup> Street between Avenue D and FDR Drive.

The TA leadership has informed me that this street is especially dangerous due to a blind spot for drivers turning right onto 10<sup>th</sup> Street from Avenue D and that members of the TA have observed several near accidents as a result. I ask that the Department of Transportation inspect the location and consider what changes are possible to protect pedestrians and drivers on this street. Once the inspection is complete, please let me know what steps are being taken.

Thank you very much for your attention to this matter. Should you have any questions, please feel free to contact Sejal Singh in my office at (212) 633-8052.

Sincerely,

Brad Hoylman
